Colour	Black
Country of Origin	Taiwan

Product Features

The Dirt Bag is specifically designed to eliminate unwanted metal shavings from spreading throughout a panel while drilling. Utilizing extra strong rare earth magnets in the frame. The Dirt Bag clings to the metal surface to catch all debris caused by drilling. A simple, portable tool the will save you time and headaches down the road.

- Frame measurements: 5" x 5" OD – 3 7/8" x 3 7/8" ID.
- Ensures that your safety is #1.
- Magnet in base of bag attracts fillings.
- Easily attaches to metal surfaces.
- Made from non-conductive material.
- Removable magnet included in bag pocket.
- Anti-static liner.
- Fits most panels.
- **Not to be used on live panels.**
