### Product Features

The Boulder Tool Belts and Bags are designed for the professional that knows exactly what they need, and exactly where they need it. With Boulder you'll work better and faster using our well organized bags. Tools you use will always be within a quick, easy reach. Our design provides for simple adjustments and easy storage without spilling contents.

Made with high quality foam, and a fitted belt allows you to work all day, and tell the team this has to be the most comfortable toolbelt you have ever owned. The 'Electrician' line of belts have been specifically designed for the professional Electrician. The belt has 19 pockets and 13 slots to hold tools upright and accessible.
