Product Name	The Wire Reel
Brand	Rack-A-Tiers
Part Number	18475
UPC	625912184756

Product Weight and Package Dimensions	
Product Weight	4lbs
Product Dimensions (L x W x H)	16" x 16" x 6"
Product Package Dimensions (L x W x H)	16" x 16" x 6"

Product Material	Plastic
Product Type	Wire Reel
Colour	Blue

Product Features
• Rolls of wire and cable are easily replaced with our easy to reach fastening knobs   • The Wire Reel protects the rolls of wire and cable when stored away and prevents tangling ends   • The 4 large round holes on either side of the wire reel easily identifies what's inside   • Keeps the wiring straight while dispensing   • Made from heavy duty polypropylene- Made in USA   • The Wire Reels center hub is designed for a standard 3/4" PVC conduit of any length. The wider the PVC the more Wire Reels can be used.   • Wire Reel is designed to dispense these size NM-B wires: 250 ft. 14/2, 14/3, 12/2, 12/3, 10/2, 10/3, 8/2, 8/3, <?xml version="1.0" encoding="UTF-8"?>   <svg xmlns="http://www.w3.org/2000/svg" viewBox="0 0 1188 1184.79"/> 125 ft. 6/2 and 6/3 rolls   • Wire Reels also accommodate rolls of BX armored cable   • Coax cable   • Thermostat wire   • Fiber optics wire

Instructions
• To open, lay down the reel with knobs facing up.   • Remove the 2 knobs and put aside, remove the top half of the reel.   • Load a roll of wire in bottom half, leaving the end of the wire exposed. Replace top half and ensure the inner tabs will properly align with both pieces.   • Replace the 2 quick change knobs and tighten securely.   • Load 1 reel onto 3/4" PVC or EMT axle rod at least 10" in width.
