### Product Features

Stop damaging your wire with rigid and uncompromising conduit with the All American Pull Buddy. The All American Pull Buddy enables you to pull wire between two pipes through a conduit box seamlessly. Simply insert the Pull Buddy into the conduit, pull your wire through, and remove the Pull Buddy after use. Pull Buddies are small, light, and durable, making them the perfect choice for electricians on the job. Pull Buddies come in a variety of colours allowing you to easily spot them no matter the environment.

- The multi 6 pack will give you 2 Pull Buddies of each size: 1/2 in., 3/4 in. and 1 in. (which will fit many different applications)
- Turns wire pulling into a one person job.
- Significantly reduces the chance of damaging wires.
- Comes in a variety of colours for easy identification no matter the environment.
- Reusable.
