

<b>Product Name</b>	Phase Tape Measure
<b>Brand</b>	<b>RACK-A-TIERS</b>
<b>Part Number</b>	52725
<b>UPC</b>	625912527256

<b>Product Weight and Package Dimensions</b>	
<b>Product Weight</b>	1.32lbs
<b>Length of Tape</b>	25 feet
<b>Product Dimensions (L x W x H)</b>	1-1/4" x 25' (7.5mx32mm)
<b>Standout:</b>	11.5' (3.5 meters)

<b>Product Material:</b>	Case: 100% new ABS plastic with rubber cover Case Strap: Nylon Blade Coating: Matt surface
<b>Product Type:</b>	Measuring tape
<b>Colour:</b>	Black and Yellow
<b>Blade thickness:</b>	0.005" ( 0.125mm)
<b>Hook:</b>	Double sided magnetic hook
<b>Brake:</b>	Autolock
<b>Blade printing:</b>	Double-side printing, white inch graduation with tricolor numbers
<b>Blade Width:</b>	1-1/4"

**Product Features**

This is a measuring tape tailor-made for electricians. You're getting a tool that has all the features you need. From the magnetic hook to the color-coded, double-sided blade, this is the perfect measuring tape for electricians.

Combine Phase Tape Measure with the Rack-A-Tiers Tape Measure Clip or Electrician's Tool Belt so you always have easy access to your measuring tape. Use the 3-phase color reference alongside the Rack-A-Tiers Mark My Wire pens to make wire phasing easier than ever. With these tools, you'll have everything you need at your fingertips.

- **QUICK REFERENCE** – The Phase Tape Measure gives you all the information you need at a glance to figure out wire colors.
- **STURDY BLADE** – The wide heavy-duty blade has large double-sided measurements. You can read them when measuring overhead, no matter the distance or angle. The solid construction provides an 11.5' standout.
- **DOUBLE HOOK** – Large and double-sided, this hook can easily grab onto pipe, wood, conduit, or anything else. Plus, there's a built-in magnet that makes measuring from metal simple. The magnet can even be used to pick up small metal screws or bits that fall into hard-to-reach areas.
