

TUG WISE Standard

PART #11931

"It's a **Lazy Susan** style wire dispenser!"

"I don't think Susan would appreciate being called **LAZY**"

Quick to Install and Ready to Use in Minutes!

#1

Fasten the Tug Wise to the base of any wood or plastic reel using the **4 screw holes**.

#2

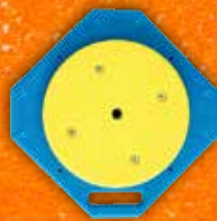

Flip the reel over so that it's now resting on the Tug Wise. The Tug Wise Standard has **1000 lb. carrying load for wood and plastic reels**.

#3

Pull your wire and the Tug Wise **will rotate the reel as you pull**.

There's a
Tug Wise
any situation!
