

SIZE CHART

Size	Measurements
S	26" - 30"
M	31" - 34"
L	35" - 39"
XL	40" - 44"
XXL	45" - 49"

HOW TO MEASURE

Measure around your waist where you prefer your toolbelt to sit. Wear your work clothes, or similar heavy clothing for an accurate measurement. Make sure to keep the tape measure as horizontal as you can. Not too snug, not too loose.

If your waist is at the top end of a size, it's recommended to purchase the next size up.
