

CADDY MAC 2 [★] Part# 11902

Caddy Mac #2 holds 16 spools of #10 awg or 24 spools of #12 awg. Hinge design allows easy access to all spools for wire dispensing and folds for compact storage.

Spindles swing out to set position for convenient loading of wire spools.

Inner spindles store in special loops which can hold four pieces and will not fall out during transportation.
