

# LEVEL JACK

## HOW DOES IT WORK?

Alignment tabs reach across wood/metal studs to level low voltage outlets with A.C. boxes.

If you're fussy about your rough-in layout, the Level Jack makes life easy. If you're not, no one will notice because you can't screw up with the Level Jack.

Just clip it on to the AC box and screw it down. No level, no tape measure, no special boxes, no special fittings required. Level Jacks fit most AC boxes.

Part #  
LJ50R - 1/2" (30 pack)  
LJ100R - 1" (15 pack)

Available in 1/2" and 1" rise

**NO TAPE MEASURE - NO LEVEL REQUIRED**
