

INTRODUCING

Slammers Rigid/PVC Conduit Spacer & Cap

Conduit Spacers and Caps for Concrete Pours

Forget duct tape, tie wires, and wood wedges for 4-square box knockout spacing. Slammers Spacers and caps are the best way to set up and protect your conduit systems to later accept 4-square box knock out.

These conduit spacers caps will produce the cleanest installs you've ever seen.

- Made from durable ABS plastic to withstand elements
- Made in USA
- Available in 3/4" and 1" sizes

Slammers Spacer

1" Part #35100.RCS
3/4" Part # 35075.RCS

Once conduit has been stubbed apply the spacer to the stubbed pieces of conduit.

Slammers Cap

1" Part #35100.RCC
3/4" Part # 35075.RCC

Follow-up with a cap on top to keep debris out of conduit

Slammers Spacer with support

1" Part #35100.RSWS
3/4" Part # 35075.RSWS

These have a 3/8" rebar stake hole for extra support.
