

Product Name	Pipe Site
Part Number	86350
UPC	625912863507

Product Weight and Package Dimensions	
Product Weight	72.6g
Product Dimensions (L x W x H)	3.88" x 1.38" diameter
Product Package Dimensions (L x W x H)	7.42" x 2.23" x 1.84"

Product Material	Plastic Sleeve and Metal Laser Housing
Product Type	Laser Level
Colour	Black
Country of Origin	Taiwan
Compatible Conduit	1/2", 3/4", & 1" EMT
Battery Life	9hrs on full charge
Power Source	Rechargeable Battery with USB-C port
Laser Wavelength	632-650nm
Power	<5mW
Range for Sighting	15-100yds
Dot Size	1" @ 50yds

#### Product Features

Compact, lightweight laser tool designed to simplify conduit alignment. Plug it into the end of your conduit and it projects a laser dot to show the center point of the desired conduit.

- Calibration screws for precise laser alignment
- Perfect for wall penetrations and panel terminations

**\* The Pipe Site is a reference tool and accuracy of the laser is dependent upon proper calibration, the straightness of your conduit, and external factors. It is always recommended to use the Pipe Site as close to the wall as possible to minimize the chance of improper alignment.**
