Product Features

The Combination Stud & Floor Reel allows you to easily dispense coils either from the stud wall or on the floor. Snaps up when in use and folds away for easy storage when not needed. No open walls? No problem! Use it as a floor reel. It's quick assembly and disassembly give you more time to focus on the job.

- 20" shock absorbing wire tray.
- Grease retaining spindle gives trouble-free service eliminating maintenance over long periods.
- Spindle spring adjusts to desirable free spool.
- Designed for 14-2, 14-3, 12-2 and 12-3 wire and MC wire.
- Rotational wire guide allows pulling in any direction.
- Raised edges on wire trays prevent wire spill.
- Eliminates twisting and kinking of wire.
- Combo unit allows mounting on 2x4 and 2x6.
- Constructed of high-grade steel, zinc, and aluminum.
- No open walls? No problem! Use it as a floor reel
- Its quick assembly and disassembly give you more time to focus on the job
- Available in 20 inch diameter and 25 inch diameter
- It all folds into a 19x19x5 for easy storage and handling
