

**SPECIFICATIONS**

Product Name	PulLee
Brand	RACK-A-TIERS
Part Number	41100
Product UPC	625912411005
Product Weight	2.60 lbs
Product Dimensions (L x W x H)	4.25" x 0.5" x 0.5"
Packaged Product Weight (L x W x H)	2.60lbs
Packaged product Dimensions	7 3/4", 5 5/8" 1"
Product Material	Stainless Steel
Product Type	Wire Fishing & Pulling / Wire Fishing & Pulling Accessories
Color	Metal
Country of Origin	US

**Product Features**

This slim, but strong, steel roller fits in your box for smooth and controlled wire pulling. It effortlessly guides wire and cable into the feeding end of the job at the correct angle, eliminating the need for a second person to manually guide the feeding end.

Mfg. Note: NOT available in Canada. Most electrical boxes in Canada do not have holes directly across from each other causing this product to not work. Please consider the Wire Vortex Plus (part# 40002) if you live in Canada.
