Product Features

Tired of twisting wire into a coil or trying to track down washers to shim your receptacle or switch? With the Shim My Box all you have to do is simply cut the length you need from this straw like piece and voila, you've got a tight fitting device.

- **Customizable Length:** Ribbed tubing that can be easily cut to size to fit your specific needs.
- **No More Twisting Wire:** Eliminate the hassle of twisting wire into a coil or searching for washers to shim receptacles or switches.
- **Simple Application:** Just cut the tubing to the required length and instantly create a snug fit for your device.
- **Adaptable:** Can be adjusted to any length, making it perfect for a wide range of devices and applications.
- **Convenient & Time-Saving:** A quick and easy solution for achieving a tight, secure fit every time.
